The John R. Wooden Classic

The Wooden Classic was established in 1994 as an annual tribute to the legendary coach and the excellence he personified. Wooden, who passed away in 2010 at the age of 99, had an 885-203 overall career record (81.3 percent) for 11 seasons as a high school coach and 29 seasons as a college mentor. Wooden led UCLA 16 conference champions in his 27-season stay in Westwood as the Bruins won an unprecedented 10 NCAA Basketball Championships in 12 years, including seven in-a-row. UCLA also won 88-straight games during Wooden's leadership to set a NCAA's all-time consecutive victory streak record during a four season period (1970-1974). He is the only coach to compile four undefeated seasons of 30-0 as he led UCLA to a 620-147 record. The John R. Wooden Classic had a tradition of bringing the nation's finest college programs to Southern California for a one-day event. The first 17 John R. Wooden Classic featured a doubleheader. The 2011 and 2012 classics had Wooden's UCLA team hosting a league and in-state rival in a one-game event.
